## EXPERIENCE AUTHENTICITY!

Amish Heartland Tours has been sharing the Amish way of life through the backroads for the past 15 years. Located in the Heart of the largest Amish settlement, Holmes County, Ohio, with over 45,000 Amish, there is much to see and share about these “plain people” throughout the tour and in-home experiences.

Backroad tours are taken in one of our sightseeing vehicles equipped with heat and air conditioning. All the stops we make are at real authentic Amish homes and or businesses. Our friendly tour guides are knowledgeable about the area and the Amish Culture. Some of them also have first hand experience with the Amish way of life.
