Over 20 Years of Experience!

Swiss Valley
TOURS 2009

Swiss Valley Tours – Full Service Receptive Operator -We go the extra mile to make YOU look great! -

I have lived here all my life so I have a good knowledge of the area and as a member of the Amish community I am qualified to explain the beliefs and the customs of the Amish in our area. I have been a Tour Planner and step-on guide for 20 years and we are committed to giving you quality customized tours to fit the times and budgets of your guests. We are a full service Receptive Operator; we can make all your reservations, including lodging if you want. We always comp the driver and escort.

Come with us on a backroads tour of our Amish Countryside; see the women working in their tidy gardens and flower beds, laundry flapping in the breeze, and children playing in the yard. Watch the farmers bringing in their harvest with the help of the sturdy draft horses.

We hope you bring a hearty appetite with you so you can enjoy our delicious Amish & Swiss Cooking in the many fine restaurants of the area, or have a family style dinner in an Amish Home. You can also sample Swiss Cheese, Homemade Ice Cream, Chocolates and maybe a taste of wine before you go home.
