TRUMPET IN THE LAND: This spectacular production sweeps you back in history to a time when Ohio was the western frontier of America to witness the founding of Ohio's first settlement, Schoenbrunn in 1772. Written by Pulitzer prize-winning playwright Paul Green, and scored by composer Frank Lewin, "Trumpet" employs a cast and crew of over 65 professionals. Brilliant lighting, authentic looking costumes, horses and spectacular battle pyrotechnics bring this epic production to life. Outstanding family entertainment!

THE WHITE SAVAGE: Simon Girty has been labeled, justly or unjustly, as a "savage" due to his alliance with the Native Americans and the British during the American Revolution. His loyalty to the Indians and his savagery in battle were legendary and soon the myth overwhelmed the man. Girty's name brought fear to all along the frontier. He was as fierce as any Indian warrior yet still willing to put his life on the line to plead for strangers' lives. Utilizing the same cast and crew as "Trumpet" this production is spectacular theatre for the whole family.
