

The Warther Museum offers a unique setting for your corporate events or weddings. The story of the Warther family and its fourth generation business combined with the beauty of the museum, makes for a motivational day or evening that your friends, family and colleagues will talk about for years to come.

The Museum dinner events are held in the carving gallery. Warther's Corporate Dinners offer a variety of quality meals ranging from plated sit down style to a full line of buffets. We also offer the option of a bar complete with an assortment of beer and wine to enjoy.

Our 30,000 square foot facility offers ample space for people to roam and enjoy the evening. A guided tour that tells about the Warther family and the carvings on display are available to you upon request. Our theatre room is a great place for a special program; we are equipped with audio/visual equipment for your use and convenience.
